Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

PRIVATE account reference and call-in authentication

Organization or name _____

Account sign-in email _____

Customer number _____

Call-in PIN _____

Domain names _____

Reviewed on _____

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

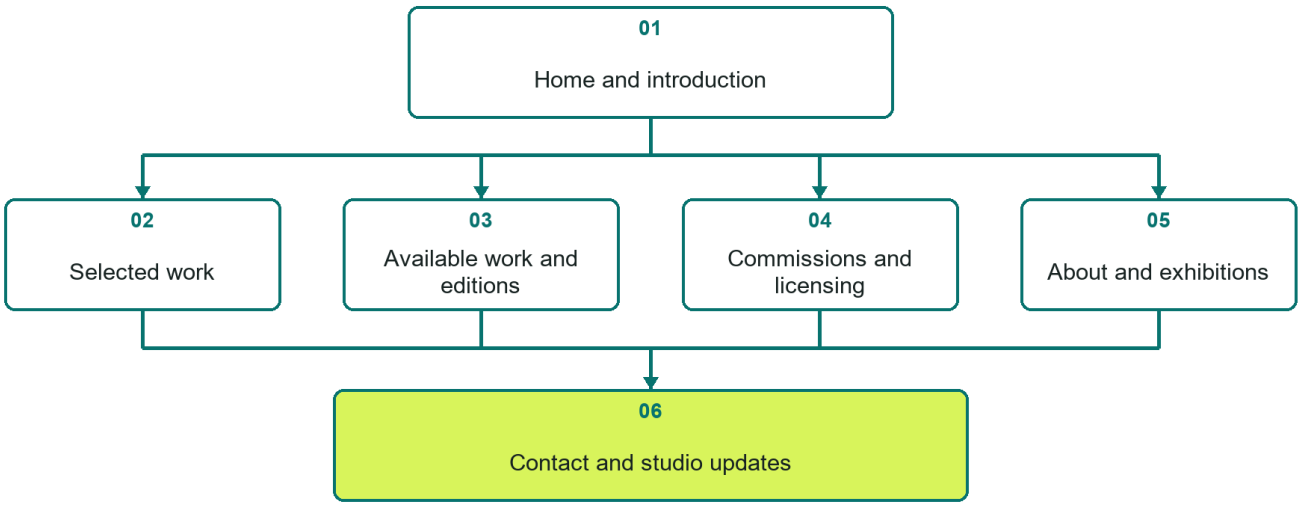

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Artists & Visual Creatives Website workbook

Plan a clear website for artists & visual creatives. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Canvas Studio

ARTISTS & VISUAL CREATIVES

Your website brief

A SaaSTech Servers workshop for artists & visual creatives. Plan your website, learn from the Prairie Canvas Studio example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

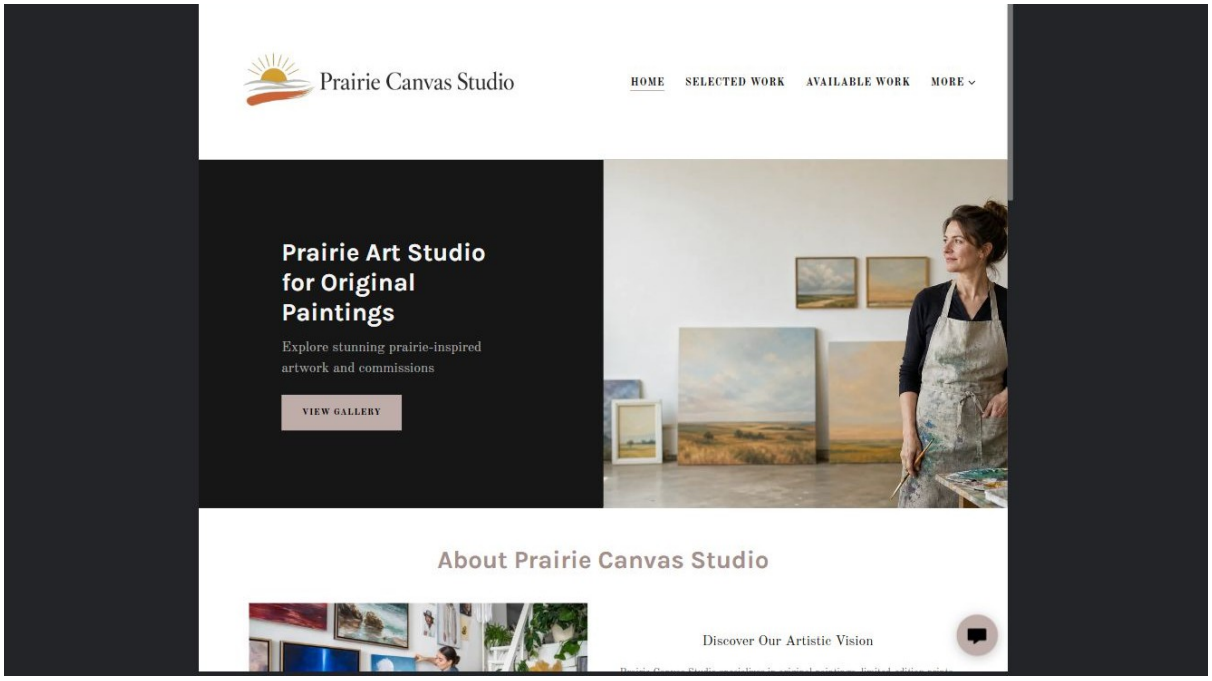

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Home and introduction

The job of this page

Introduce the artist, visual point of view, strongest work, and one clear path into the portfolio or available collection.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

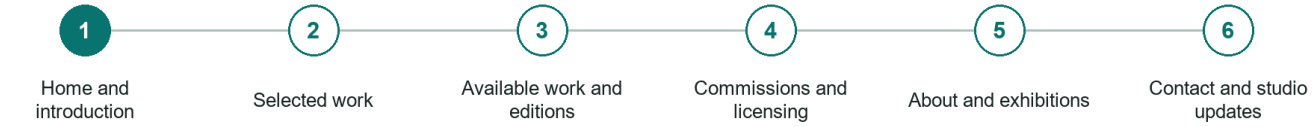

Sample wording to adapt

Explore the work of Prairie Canvas Studio

Browse selected pieces, learn about the process and ask about available work or a commission. Images introduce the work; dimensions, medium and availability are confirmed for each piece.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

WRITE YOUR PAGE

Home and introduction

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

Your offer audience location and most useful supporting details

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

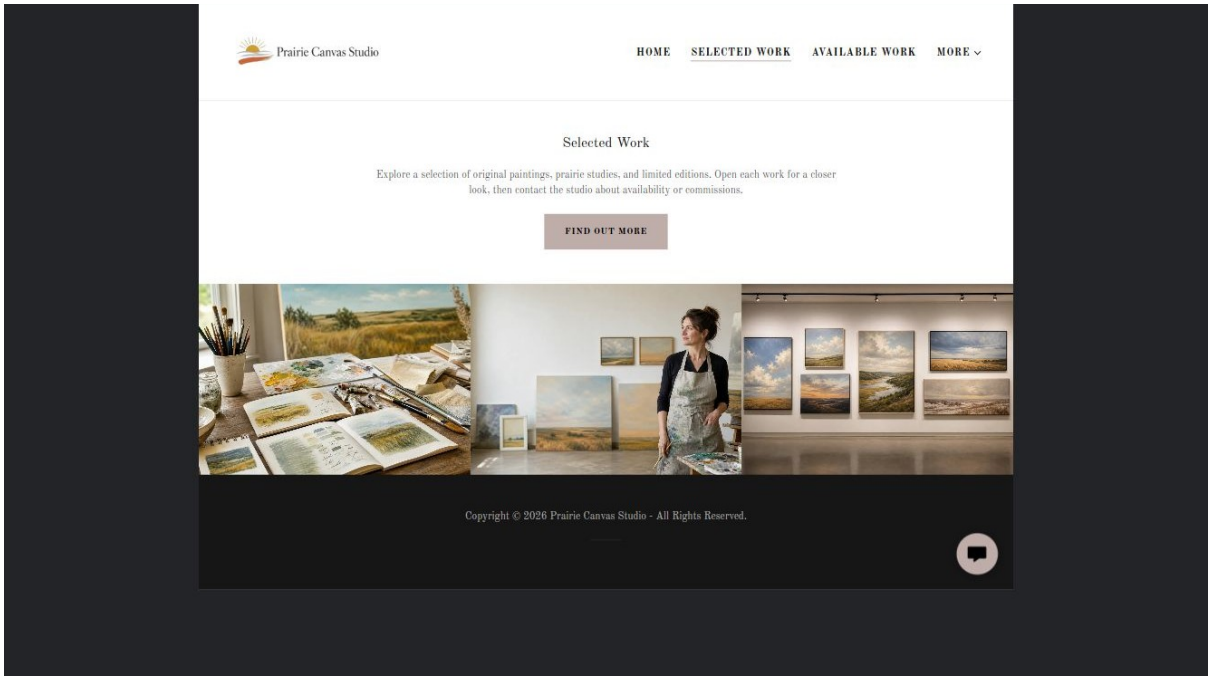

Facts to verify or questions to resolve

LOOK AND LEARN

Selected work

The job of this page

Lead with a tightly edited body of work organized by series, medium, subject, or current availability.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

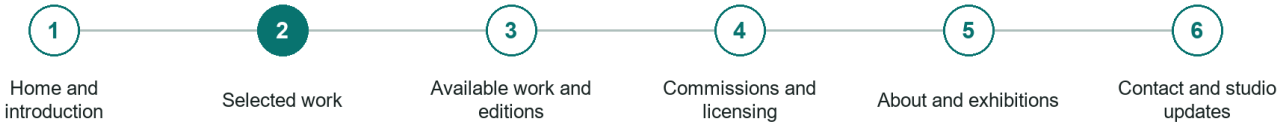

Sample wording to adapt

Selected work with the story behind it

Each entry identifies the work, medium and relevant context. Look at the details and scale before making an enquiry. Copyright and reproduction permissions remain with the appropriate rights holder.

Pause and plan

Which examples best support this page? Explain the context, your contribution and the permissions or credits needed. Label illustrative work and distinguish it from genuine completed projects or customer results.

WRITE YOUR PAGE

Selected work

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

Examples captions context and evidence to include

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

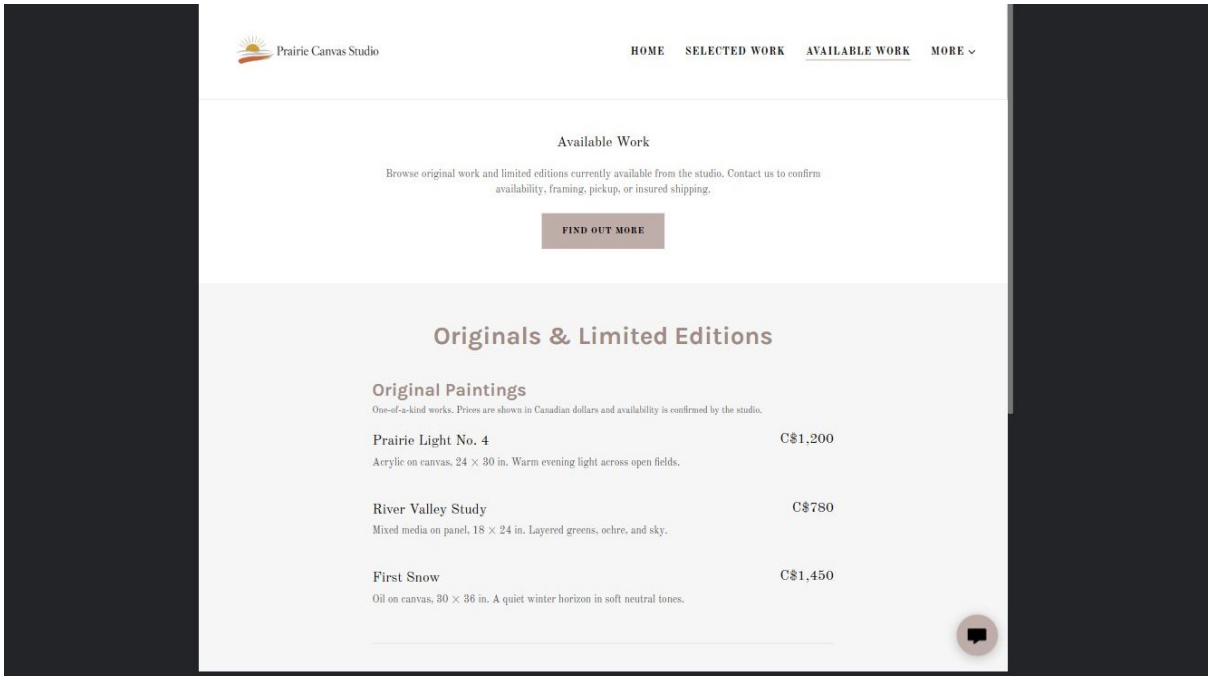

Facts to verify or questions to resolve

LOOK AND LEARN

Available work and editions

The job of this page

Show accurate images, title, medium, size, edition, price, framing, provenance, fulfilment, and availability.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

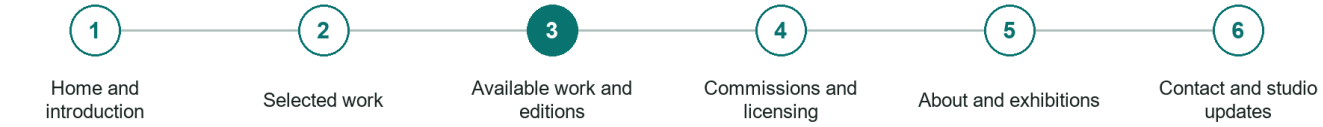

Sample wording to adapt

Ask about an available piece

Check the medium, dimensions, edition information and current status. Contact the studio to confirm price and delivery arrangements. A displayed image does not guarantee that a work is still available.

Pause and plan

What is included and what needs separate confirmation? Make quantities, timing, exclusions and price conditions understandable. Avoid implying that an example price or image guarantees availability.

WRITE YOUR PAGE

Available work and editions

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

Options inclusions price conditions and availability details

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

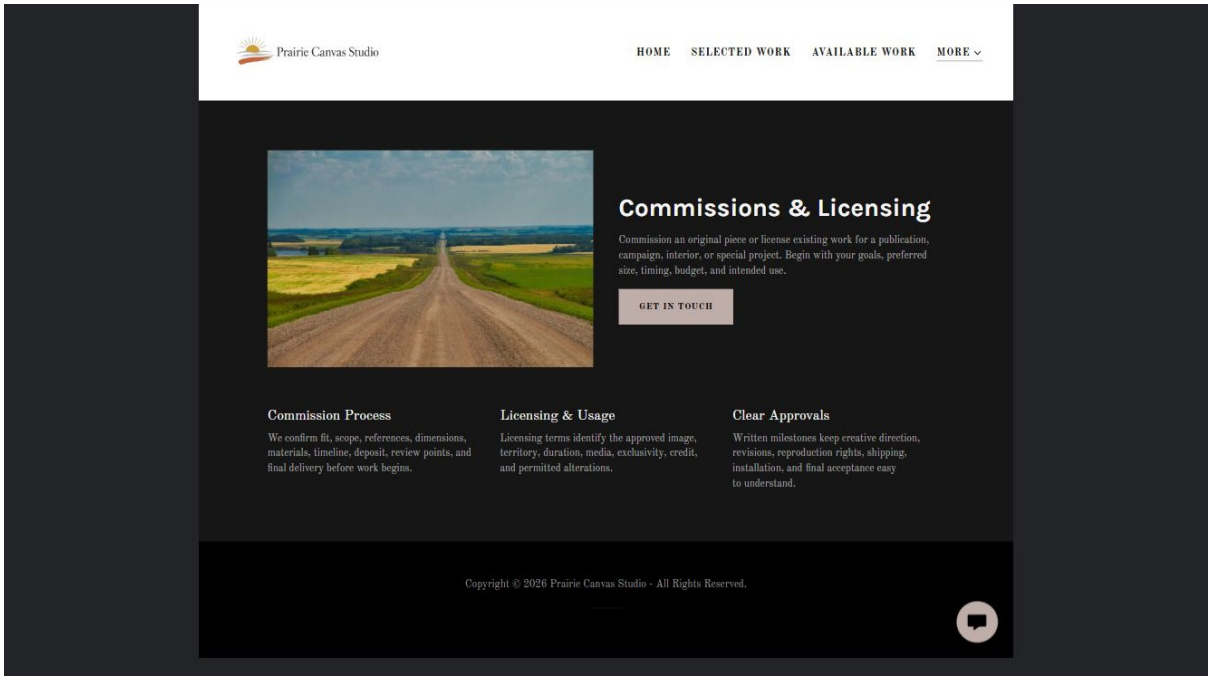

Facts to verify or questions to resolve

LOOK AND LEARN

Commissions and licensing

The job of this page

Explain fit, process, timeline, approvals, usage rights, deposits, revisions, and how to begin.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

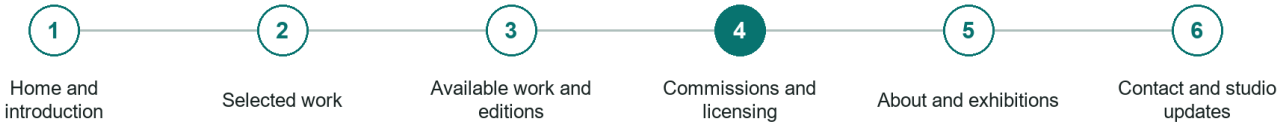

Sample wording to adapt

Start a commission conversation

Describe the intended subject, size, use and timing. The studio will discuss fit, scope and permissions before agreeing work. Reproduction or commercial use requires a separate agreement.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

WRITE YOUR PAGE

Commissions and licensing

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

Your offer audience location and most useful supporting details

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

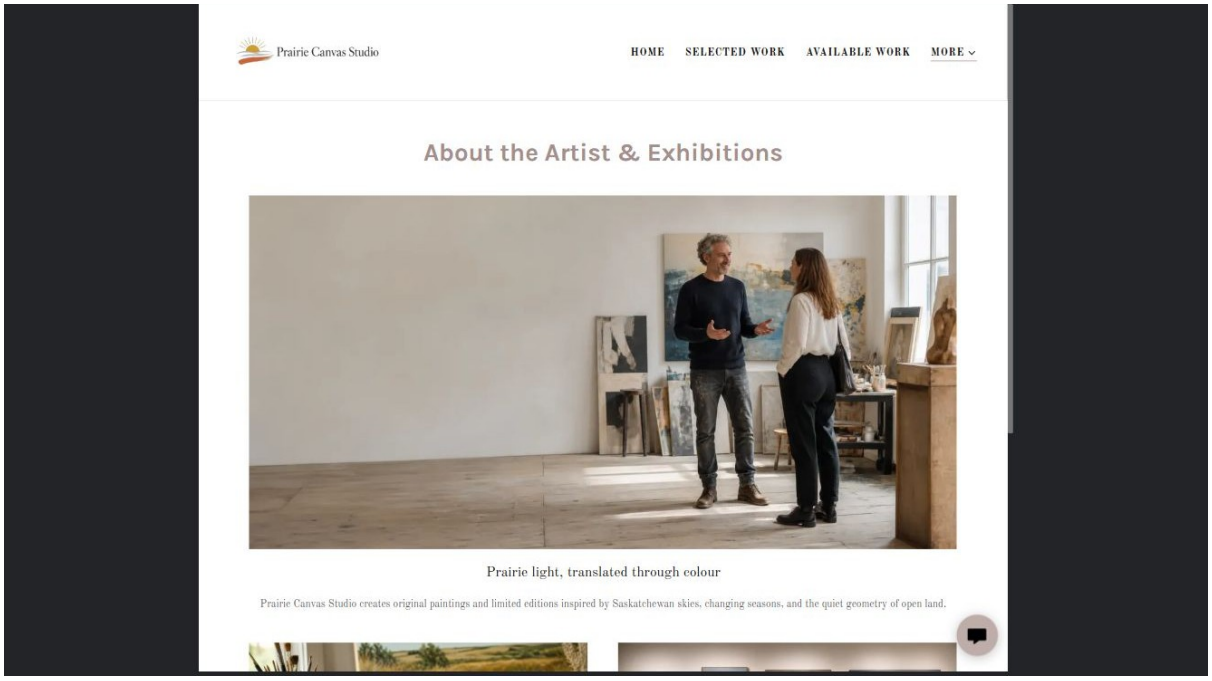

Facts to verify or questions to resolve

LOOK AND LEARN

About and exhibitions

The job of this page

Connect the artist's practice, experience, exhibitions, representation, and relevant press to the work.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

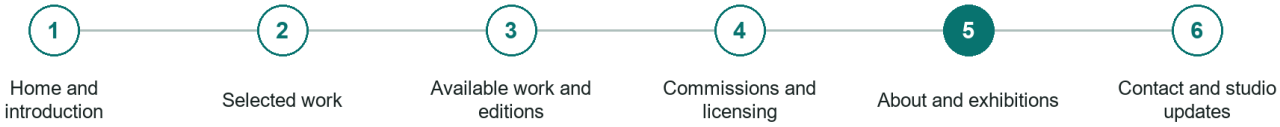

Sample wording to adapt

Meet the artist and explore the process

Learn about the materials, influences and current practice. Exhibition details should include accurate dates and venues. Only verified awards, exhibitions and professional claims belong here.

Pause and plan

Which names, roles and qualifications can you verify? What would help a visitor feel comfortable contacting you? Obtain permission for portraits and describe actual experience without unsupported claims.

WRITE YOUR PAGE

About and exhibitions

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

People roles approach and verified credentials to introduce

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

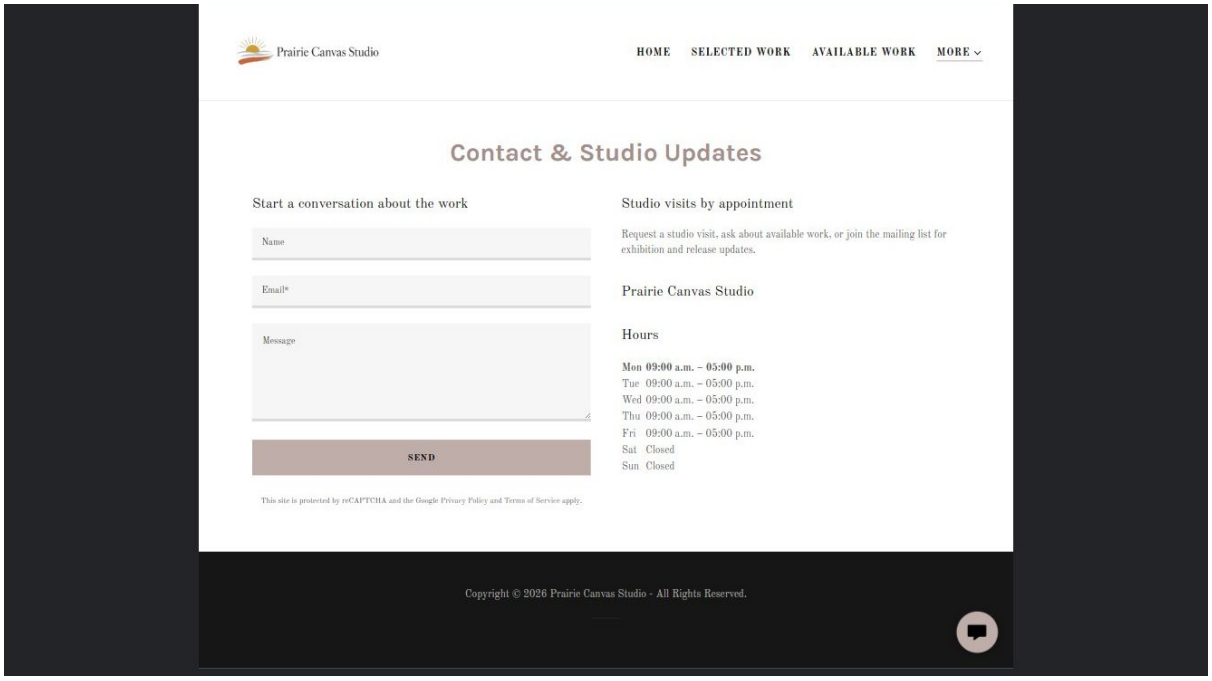

Facts to verify or questions to resolve

LOOK AND LEARN

Contact and studio updates

The job of this page

Offer a professional enquiry path and optional updates for exhibitions, releases, or open-studio events.

Prairie Canvas Studio example | Explore SaaSTech Servers Website Builder

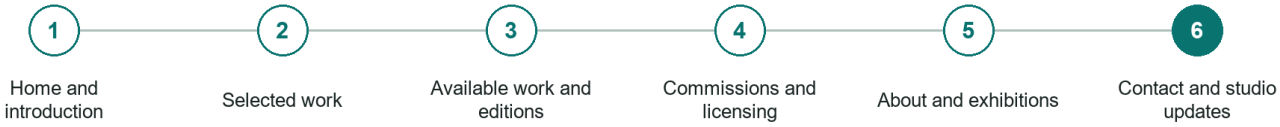

Sample wording to adapt

Stay in touch with the studio

Ask about a piece, a commission or future updates. Include the work title where relevant and your preferred reply method. Joining an update list should be a separate, clear choice.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WRITE YOUR PAGE

Contact and studio updates

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Your page headline

Your opening paragraph

Information to request and how you will reply or confirm

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

Facts to verify or questions to resolve

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.

The most useful feedback from your workshop partner

First change to make and who will do it

Information or photographs still needed

Target review date and who will approve the final content

Keep sensitive customer, patient, employee and payment information out of this workbook. Completing it does not publish a website or connect to Website Builder.

BUILD WITH SAASTECH SERVERS

Put your draft into Website Builder

Use the content you have written to build your own site. Keep the artists & visual creatives demo as a reference, and replace its company name, images and claims with your verified business information.

Explore the builder

See the editor, compare available plans and decide which features your business needs. Confirm current pricing and terms before purchasing.

Website Builder overview

Create your account

Set up your SaaSTech Servers customer account using your own details. Creating an account is separate from purchasing a Website Builder plan.

Create your SaaSTech Servers account

Choose your plan

Open the secure shop to review the plan, subscription term and final total. Use the account connected to your purchase when you open your service.

View Website Builder plans

Build and check your pages

Add the pages from this workbook. Transfer your approved wording, upload permission-cleared photos and review each page on desktop and mobile before publishing.

Return to the Website Builder guide

Using a printed workbook

Type these short addresses into your browser. The account guide includes the Create My Account button.

www.saastech.net/products/website-builder

www.saastech.net/create-account

This workbook does not create an account, purchase a plan or publish your website. Keep passwords, payment details and confidential customer information out of your draft.
