Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

PRIVATE account reference and call-in authentication

Organization or name _____

Account sign-in email _____

Customer number _____

Call-in PIN _____

Domain names _____

Reviewed on _____

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

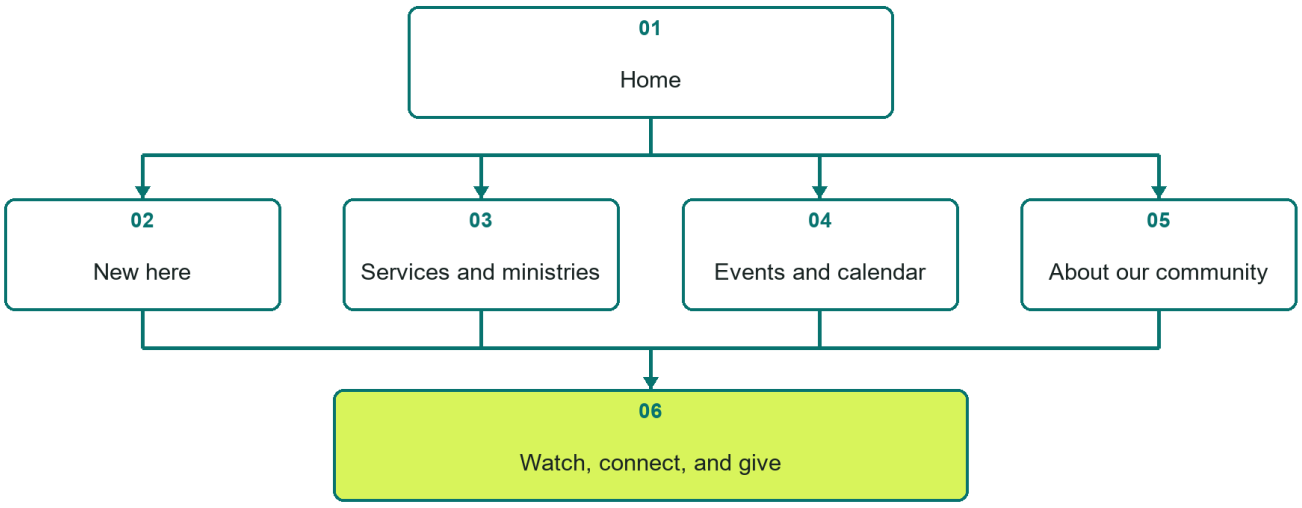

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Churches & Faith Communities Website workbook

Plan a clear website for churches & faith communities. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Cedar Way Community Church

CHURCHES & FAITH COMMUNITIES

Your website brief

A SaaSTech Servers workshop for churches & faith communities. Plan your website, learn from the Cedar Way Community Church example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

Demo text example

Welcome, grow and serve together

Cedar Way is a welcoming Regina-area church for people exploring faith and those seeking a community to call home. Gather on Sundays, connect through age-specific ministries, volunteer locally, or speak privately with our pastoral-care team.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

LOOK AND LEARN

New here

The job of this page

Set expectations for a first visit, including children, parking, accessibility, and dress.

Cedar Way Community Church example | Explore SaaSTech Servers Website Builder

Demo text example

Plan Your First Visit

There is no dress code and no expectation that a visitor already knows the service.

Pause and plan

What should someone know before arriving or proceeding? Clarify preparation, access and the right contact route. Verify policies and avoid promising urgent help or specialist advice the website cannot provide.

Button or link wording and where it should lead

Photo idea caption and permission or credit needed

Facts to verify or questions to resolve

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.

The most useful feedback from your workshop partner

First change to make and who will do it

Information or photographs still needed

Target review date and who will approve the final content

Keep sensitive customer, patient, employee and payment information out of this workbook. Completing it does not publish a website or connect to Website Builder.

BUILD WITH SAASTECH SERVERS

Put your draft into Website Builder

Use the content you have written to build your own site. Keep the churches & faith communities demo as a reference, and replace its company name, images and claims with your verified business information.

Explore the builder

See the editor, compare available plans and decide which features your business needs. Confirm current pricing and terms before purchasing.

Website Builder overview

Create your account

Set up your SaaSTech Servers customer account using your own details. Creating an account is separate from purchasing a Website Builder plan.

Create your SaaSTech Servers account

Choose your plan

Open the secure shop to review the plan, subscription term and final total. Use the account connected to your purchase when you open your service.

View Website Builder plans

Build and check your pages

Add the pages from this workbook. Transfer your approved wording, upload permission-cleared photos and review each page on desktop and mobile before publishing.

Return to the Website Builder guide

Using a printed workbook

Type these short addresses into your browser. The account guide includes the Create My Account button.

www.saastech.net/products/website-builder

www.saastech.net/create-account

This workbook does not create an account, purchase a plan or publish your website. Keep passwords, payment details and confidential customer information out of your draft.
