Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

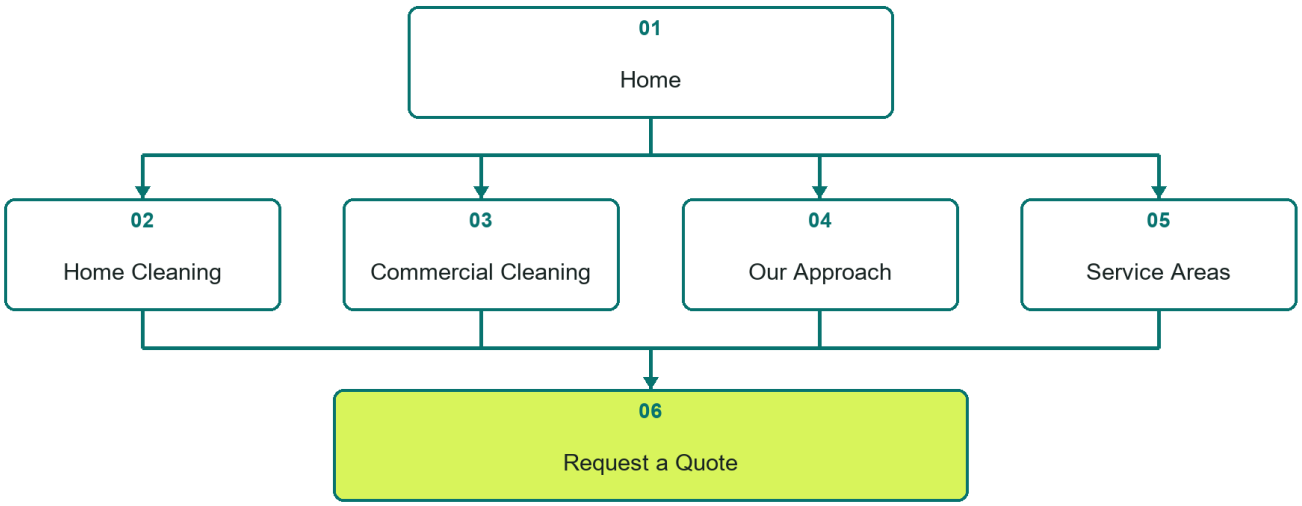

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Residential & Commercial Cleaning Website workbook

Plan a clear website for residential & commercial cleaning. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Clear Cleaning

RESIDENTIAL & COMMERCIAL CLEANING

Your website brief

A SaaSTech Servers workshop for residential & commercial cleaning. Plan your website, learn from the Prairie Clear Cleaning example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

Sample wording to adapt

A clean built around your priorities

Choose recurring cleaning, a one-time deep clean or an empty-home clean. Tell us the rooms, approximate size and priorities. Appliances, cupboards and specialist tasks need to be agreed in the written scope.

Sample wording to adapt

Cleaning that fits your workplace

Describe your office spaces and preferred visit times. We will agree the checklist, supplies and access arrangements before work begins. Share keys and access codes privately, never through the public enquiry form.

Pause and plan

What question brings a visitor to this page? List the details they need, the evidence you can provide and the next useful action. Remove content that does not help them decide or proceed.

Sample wording to adapt

Tell us your community first

Share your neighbourhood, property type and preferred timing so coverage can be checked. Nearby and rural locations require confirmation. Any travel charges should be agreed before booking.

Pause and plan

Who is each option for, what does it include and where are its limits? Describe the information needed to check fit. Make the next step clear without promising an outcome before assessment.

Request a Quote

The job of this page

Ask for community, property type, approximate size, cleaning type, frequency and preferred timing. Do not ask for keys, alarm codes or door-access details in the public form.

Prairie Clear Cleaning example | Explore SaaSTech Servers Website Builder

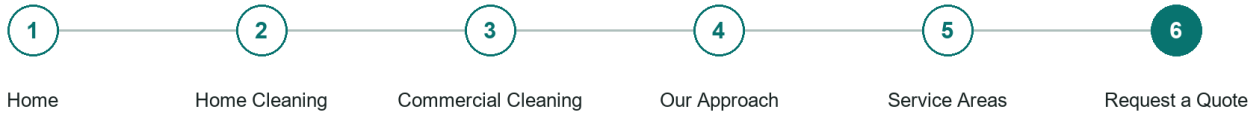

Sample wording to adapt

Agree what your clean includes

Describe the spaces, cleaning priorities and preferred schedule. The next conversation will clarify the scope and price. A quote request does not confirm a cleaning visit or ask for payment.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.
