Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

PRIVATE account reference and call-in authentication

Reviewed on _____

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

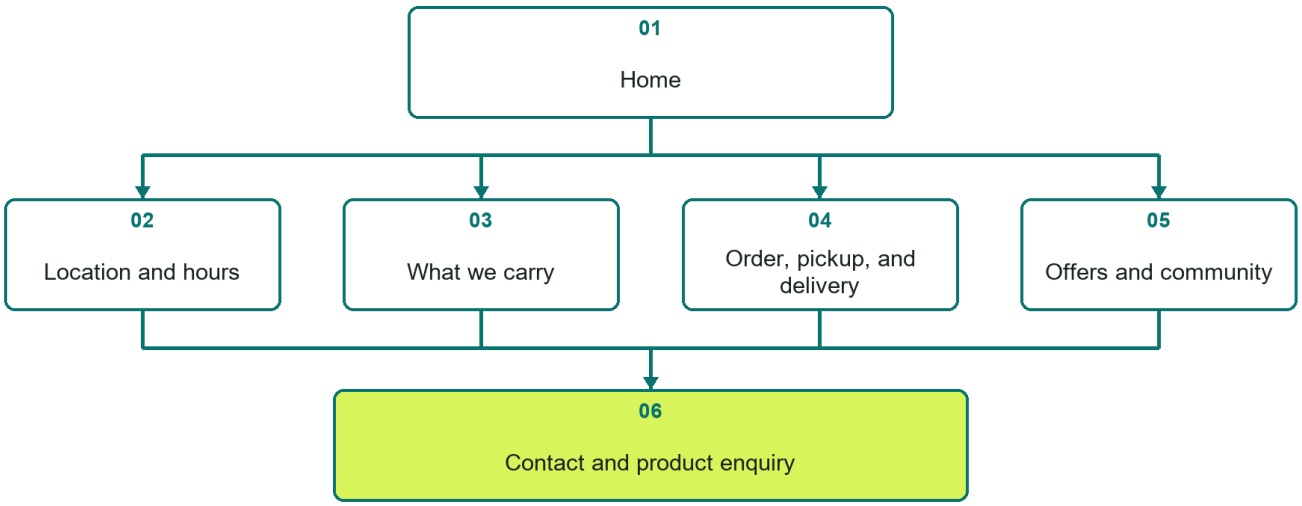

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Convenience Stores Website workbook

Plan a clear website for convenience stores. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Corner Pine Market

CONVENIENCE STORES

Your website brief

A SaaSTech Servers workshop for convenience stores. Plan your website, learn from the Corner Pine Market example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

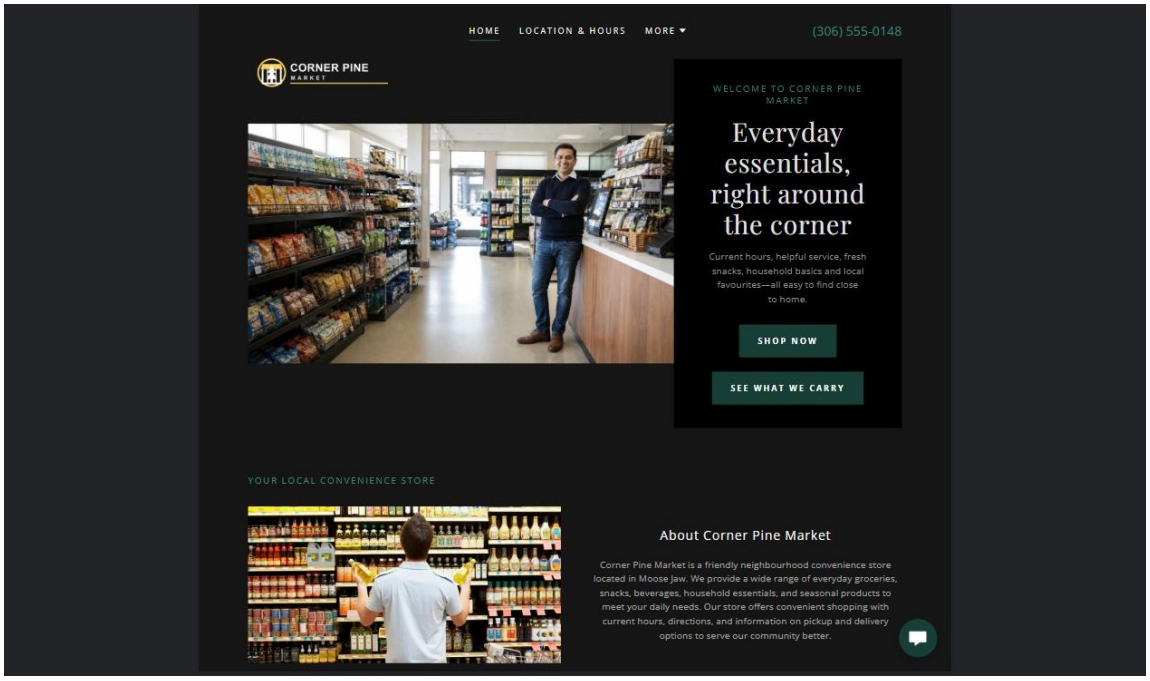

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Home

The job of this page

Lead with the location, current hours, strongest everyday categories, and immediate paths to directions, calling, or an available order option.

Corner Pine Market example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Find the essentials close to home

Check the location, current hours and product categories before visiting. Contact the shop about a specific item. Availability can change and should be confirmed directly.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

Sample wording to adapt

Plan your visit

Check today's opening information and how to find the shop. Ask about access or holiday hours before travelling. Keep location details and public contact information current.

Pause and plan

What question brings a visitor to this page? List the details they need, the evidence you can provide and the next useful action. Remove content that does not help them decide or proceed.

Sample wording to adapt

Ask about pickup options

Contact the shop to confirm the items, total and collection arrangements. Check whether delivery is available for your location. A product enquiry is not a paid or accepted order.

Pause and plan

What should someone know before arriving or proceeding? Clarify preparation, access and the right contact route. Verify policies and avoid promising urgent help or specialist advice the website cannot provide.

Offers and community

The job of this page

Publish current dated promotions, store news, community involvement, local suppliers, employment information, and appropriate customer updates.

Corner Pine Market example | Explore SaaSTech Servers Website Builder

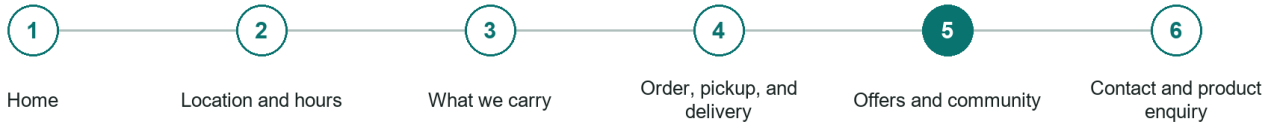

Sample wording to adapt

Check current offers and local updates

Read the dates and conditions on each offer before visiting. Community announcements should identify the organizer and contact. Expired offers should not appear as current promotions.

Contact and product enquiry

The job of this page

Provide a fast phone-first path plus a simple form for general availability, catering trays, local products, supplier, and employment questions.

Corner Pine Market example | Explore SaaSTech Servers Website Builder

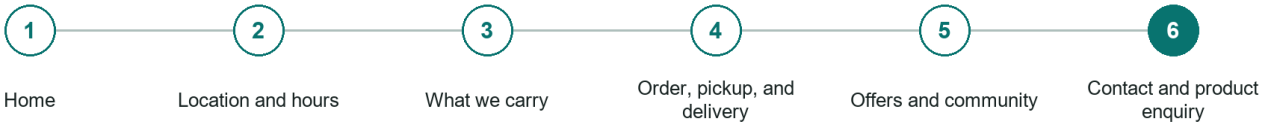

Sample wording to adapt

Ask about an item

Tell us the product, size or brand you need and your preferred reply method. The team can confirm current availability. Do not send payment-card details through the enquiry form.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.
