Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist
		

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

PRIVATE account reference and call-in authentication

Organization or name _____

Account sign-in email _____

Customer number _____

Call-in PIN _____

Domain names _____

Reviewed on _____

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

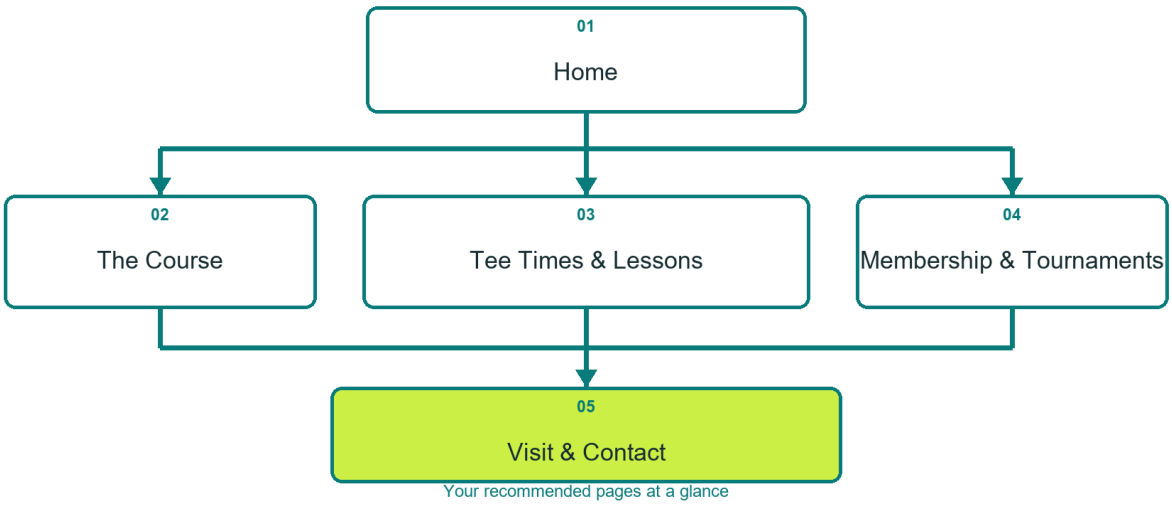

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

Golf Courses website workbook

Use this print-ready workshop guide to study the Prairie Fairway example, plan five useful pages and draft wording for a real club.

Prairie Fairway Golf Club is a fictional workshop example. Replace every sample detail with current, approved course information. Keep payment, membership and customer records in approved private systems.

Inside this workbook

Five page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word.

How to use this workbook

- ☐ Choose one visitor task for each page.
- ☐ Gather current course facts and permission-cleared photographs.
- ☐ State clearly where tee times, lessons and tournament enquiries are confirmed.
- ☐ Keep sample prices, dates and policies out until the club verifies them.
- ☐ Test the finished journey on desktop and mobile.

Open the Golf Courses industry guide

What should a visitor be able to do after using the website

Course facts, photographs and booking details to confirm

Workshop decisions and follow up owner

Home

Introduce the course, season and clearest next step. Let the hero establish place and welcome without hiding practical information.

Clearly labelled sample wording

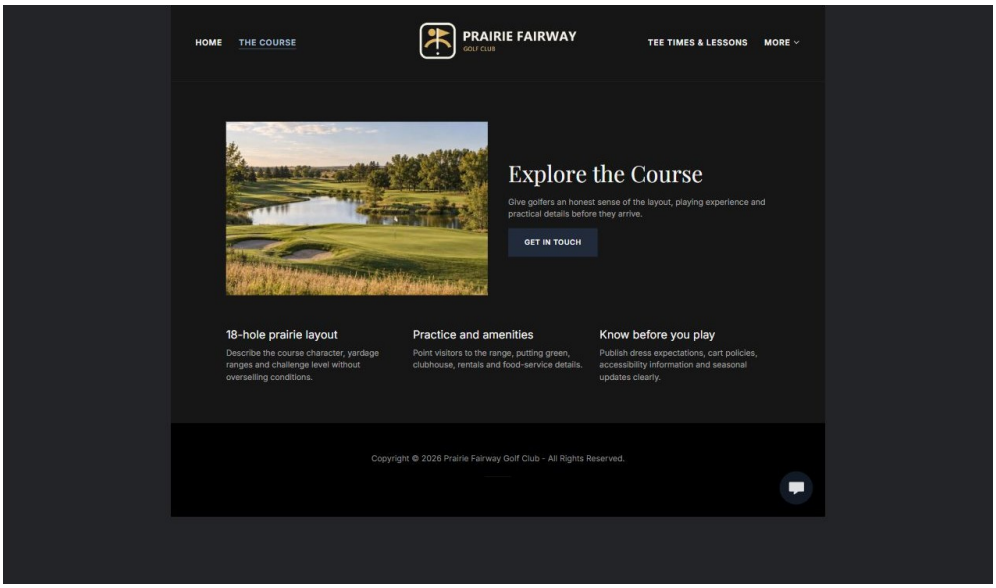

Sample wording: Golf, gatherings and prairie views. Explore the course, compare ways to play and choose the right next step for a round, lesson or event.

Draft your own page copy

Photographs, proof and links to prepare

The Course

Explain the layout, practice areas, amenities, access and policies using verified facts and distinct images.

Clearly labelled sample wording

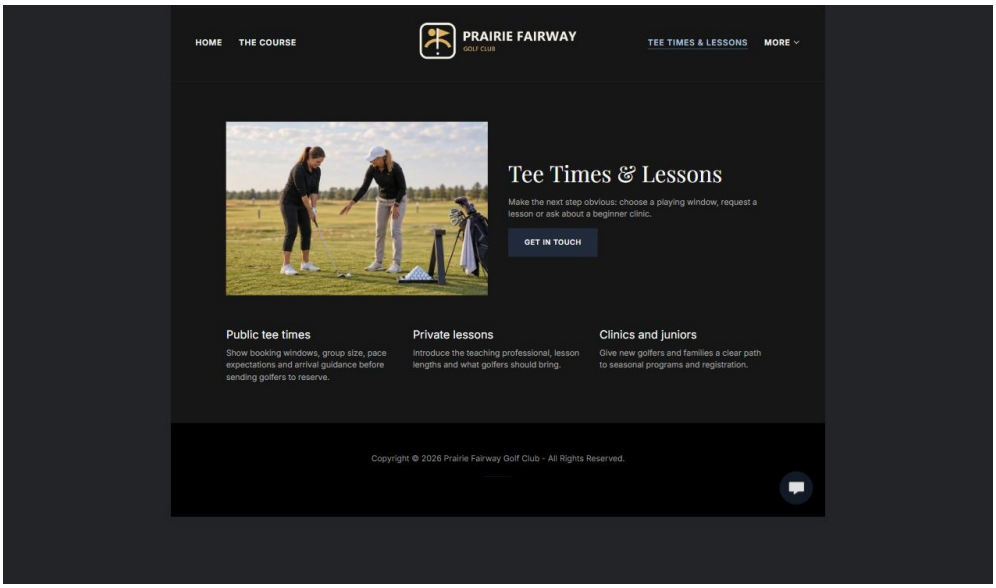

Sample wording: Give golfers an honest sense of the playing experience and the practical details they should know before arriving.

Draft your own page copy

Photographs, proof and links to prepare

Tee Times and Lessons

Separate live tee-time booking from lesson enquiries. Explain availability, group size, arrival and confirmation.

Clearly labelled sample wording

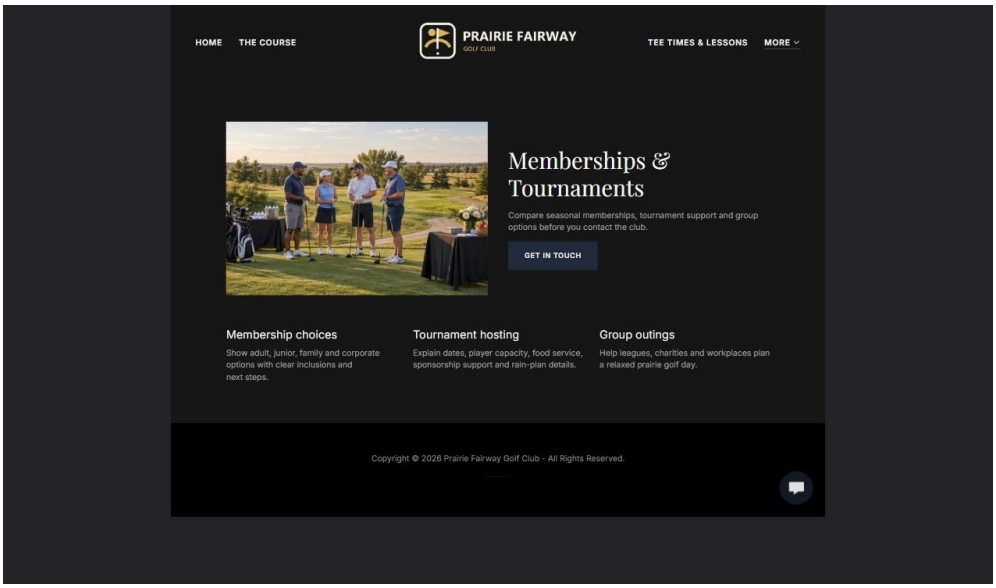

Sample wording: Choose a playing window, request a lesson or ask about a beginner clinic. The club confirms the correct booking route.

Draft your own page copy

Photographs, proof and links to prepare

Membership and Tournaments

Help members and organisers compare options without inventing rates, capacity or availability.

Clearly labelled sample wording

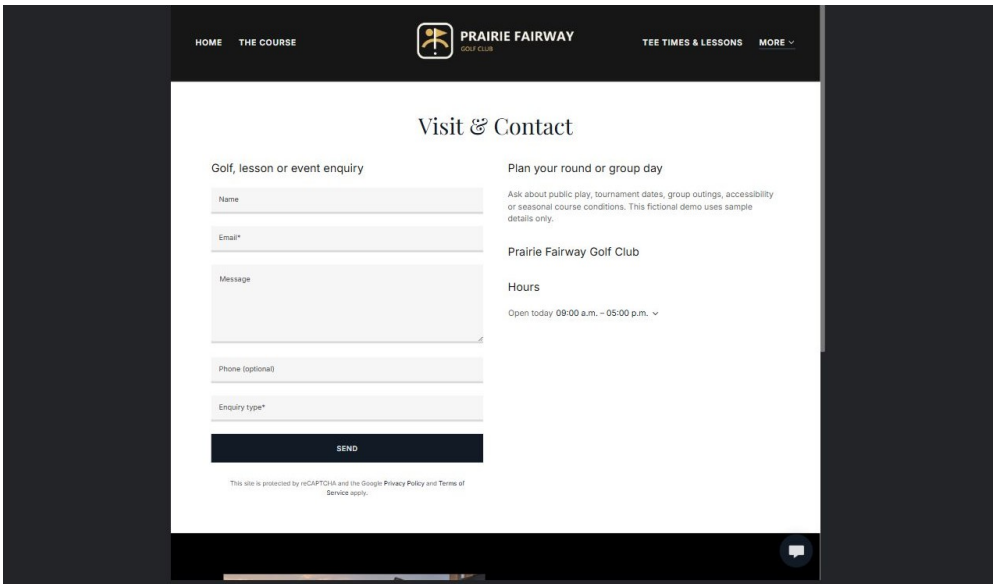

Sample wording: Tell us the date, player count, format and event needs. We will confirm availability and prepare the next step.

Draft your own page copy

Photographs, proof and links to prepare

Visit and Contact

Publish current directions, seasonal hours, accessibility and contact routes. Make the form useful but not sensitive.

Clearly labelled sample wording

Sample wording: Ask about public play, group outings, accessibility or current course conditions. Staff will follow up through the selected route.

Draft your own page copy

Photographs, proof and links to prepare

FINAL REVIEW

Test the visitor journey

Ask someone unfamiliar with the club to plan a round, lesson or event using only the website.

- ☐ Each page has one clear purpose and next action.
- ☐ Desktop and mobile previews are readable.
- ☐ Logo contrast works on light and dark backgrounds.
- ☐ Every photograph is relevant, distinct and permission-cleared.
- ☐ Tee-time, lesson and tournament wording matches the real confirmation process.
- ☐ Course facts, hours, policies and accessibility details are verified.
- ☐ A named backup and future review owner are recorded.
