Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

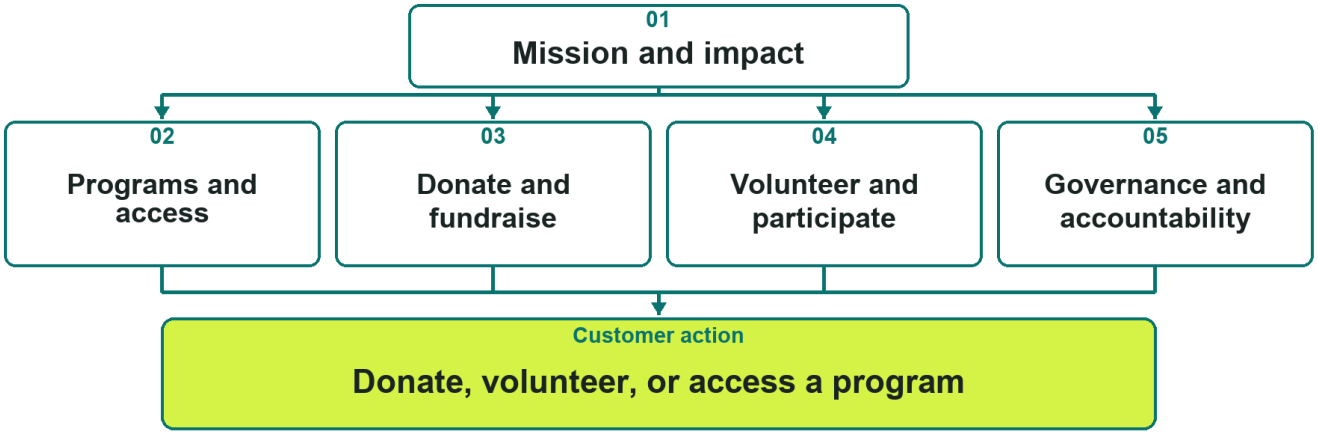

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Nonprofits & Community Organizations Website workbook

Plan a clear website for nonprofits & community organizations. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your pages guide visitors toward a clear next step.

Inside this workbook

Five page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Neighbours Community Foundation

NONPROFITS & COMMUNITY ORGANIZATIONS

Your website brief

A SaaSTech Servers workshop for nonprofits & community organizations. Plan your website, learn from the Prairie Neighbours Community Foundation example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

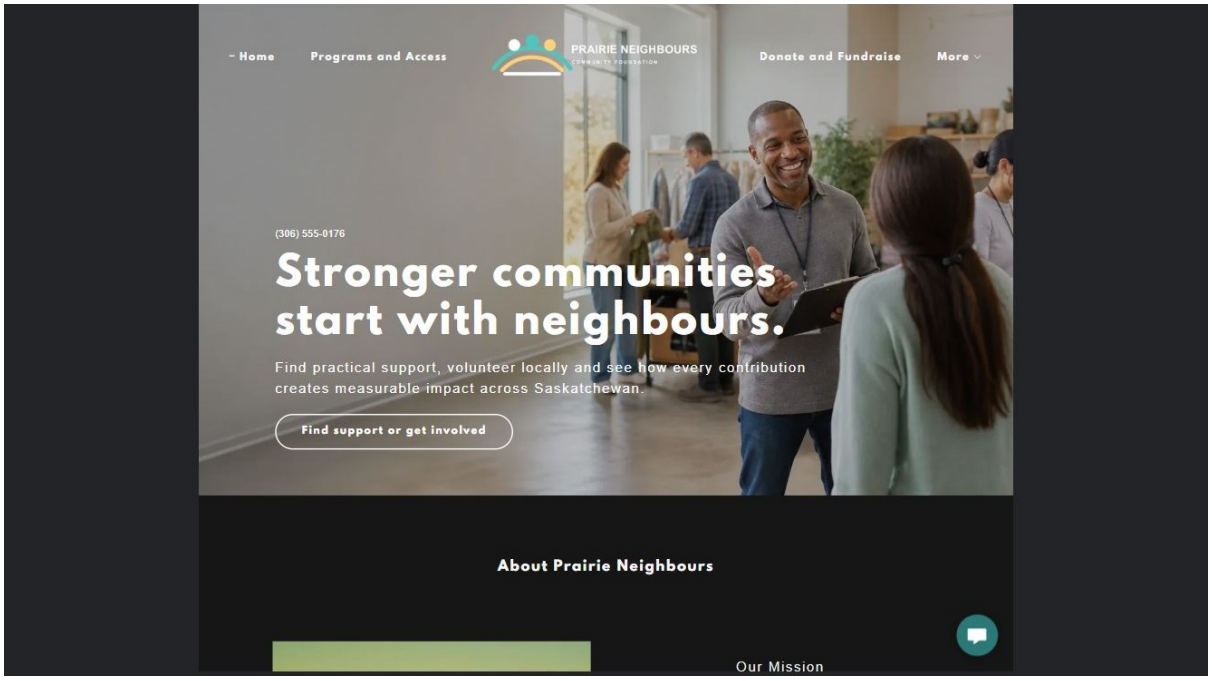

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Mission and impact

The job of this page

Explain the community need, programs, who benefits, intended outcomes, and evidence of recent work.

Prairie Neighbours Community Foundation example | Explore SaaSTech Servers Website Builder

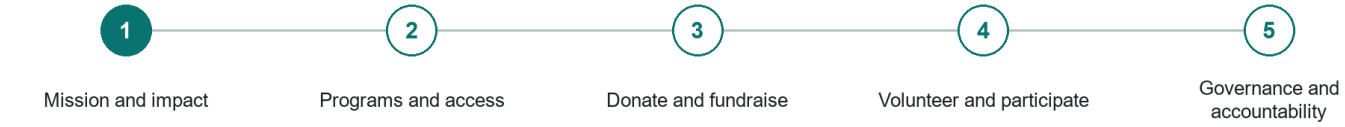

Sample wording to adapt

Understand the work and how to help

Learn who the programs serve and how support is used. Read dated impact information with its evidence. Choose the appropriate route to request help, volunteer or contribute.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

WRITE YOUR PAGE

Mission and impact

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

LOOK AND LEARN

Programs and access

The job of this page

Describe eligibility, locations, schedules, costs, referrals, accessibility, and how someone asks for help.

Prairie Neighbours Community Foundation example | Explore SaaSTech Servers Website Builder

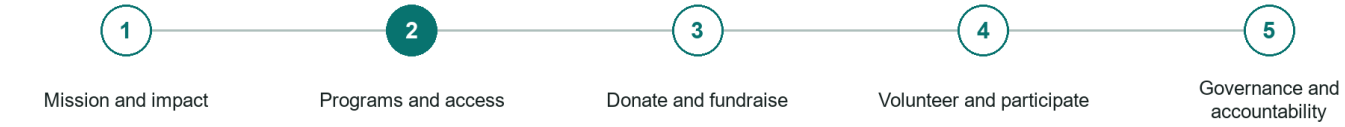

Sample wording to adapt

Find the right program

Check eligibility, access arrangements and how to begin. Contact the program team if you are unsure which option fits. Keep sensitive personal circumstances out of a general website enquiry.

Pause and plan

Who is each option for, what does it include and where are its limits? Describe the information needed to check fit. Make the next step clear without promising an outcome before assessment.

Sample wording to adapt

Choose how you want to contribute

Read how donations are used and which payment methods are available. Confirm receipting and fundraising details before contributing. This example does not claim registered charity status or accept donations.

Pause and plan

What question brings a visitor to this page? List the details they need, the evidence you can provide and the next useful action. Remove content that does not help them decide or proceed.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.

The most useful feedback from your workshop partner

First change to make and who will do it
