Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

PRIVATE account reference and call-in authentication

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

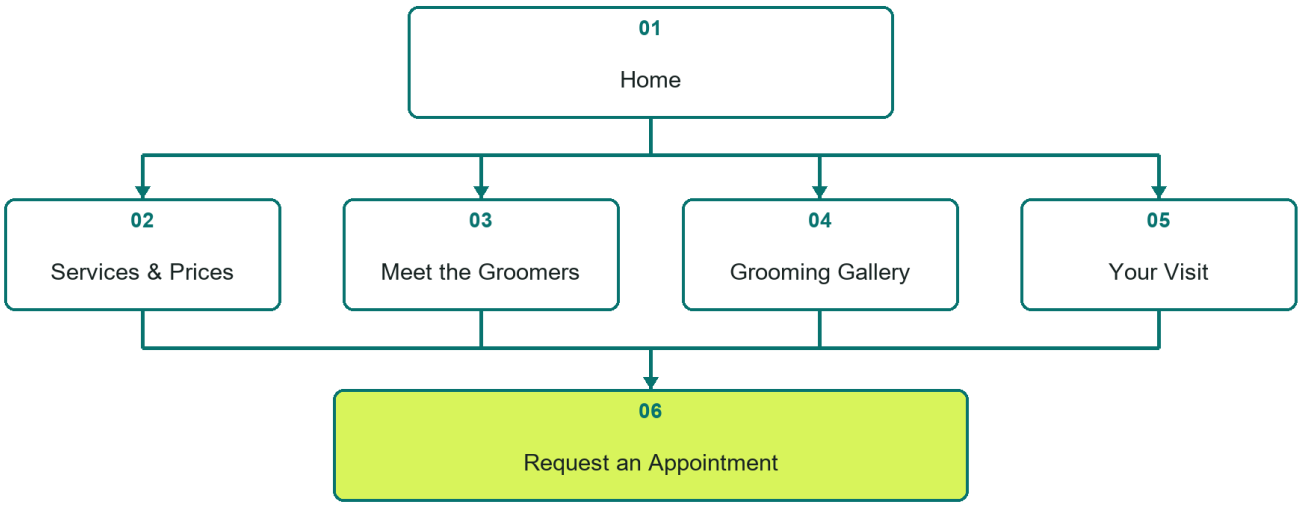

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Pet Groomers
Website workbook

Plan a clear website for pet groomers. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Paws Grooming

PET GROOMERS

Your website brief

A SaaSTech Servers workshop for pet groomers. Plan your website, learn from the Prairie Paws Grooming example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

The job of this page

Introduce the studio with a groomer and dog in context, the service area and one appointment-request action.

Prairie Paws Grooming example | Explore SaaSTech Servers Website Builder

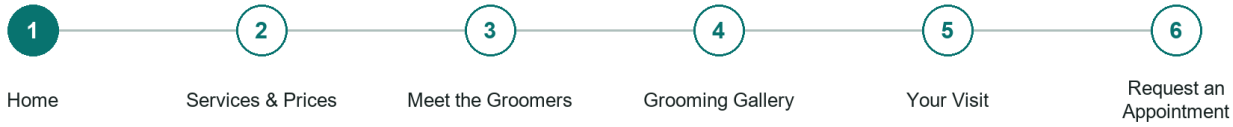

Demo text example

A fresh look. A thoughtful grooming visit.

Bath-and-brush, full grooming and nail care for your dog. Explore the options and request a time that suits you.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

WRITE YOUR PAGE

Demo text example

Bath & Brush

A bath, drying and brush-out for dogs who do not need a full haircut. Tell us about coat type and tangles when requesting a visit.

Pause and plan

What is included and what needs separate confirmation? Make quantities, timing, exclusions and price conditions understandable. Avoid implying that an example price or image guarantees availability.

Sample wording to adapt

Meet Jamie and Rowan

Discuss haircut preferences with Jamie, or ask Rowan about bath-and-brush visits. Share the finish you have in mind and any handling preferences. These are fictional team profiles with illustrative portraits.

Pause and plan

Which names, roles and qualifications can you verify? What would help a visitor feel comfortable contacting you? Obtain permission for portraits and describe actual experience without unsupported claims.

Sample wording to adapt

Grooming inspiration

Browse coat styles and finishes to help explain what you have in mind. Bring a reference photograph to your consultation. These illustrative images are not before-and-after results or a promise of the same finish for every dog.

Pause and plan

Which examples best support this page? Explain the context, your contribution and the permissions or credits needed. Label illustrative work and distinguish it from genuine completed projects or customer results.

Demo text example

A little preparation makes arrival easier

Before your visit, share your dog's size, coat type, requested service and any handling preferences. Bring a reference photo if you have a particular finish in mind.

Pause and plan

What should someone know before arriving or proceeding? Clarify preparation, access and the right contact route. Verify policies and avoid promising urgent help or specialist advice the website cannot provide.

Request an Appointment

The job of this page

Ask for owner contact details, dog size or breed, service interest and preferred days. Explain that the studio confirms suitability, timing and price.

Prairie Paws Grooming example | Explore SaaSTech Servers Website Builder

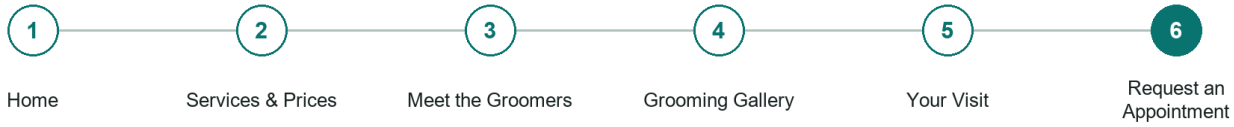

Sample wording to adapt

Request a grooming appointment

Tell us your dog's size and coat type, the service you are considering and your preferred days. We will confirm the service, estimate and available time separately. Please do not treat a request as a confirmed booking.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.
