Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

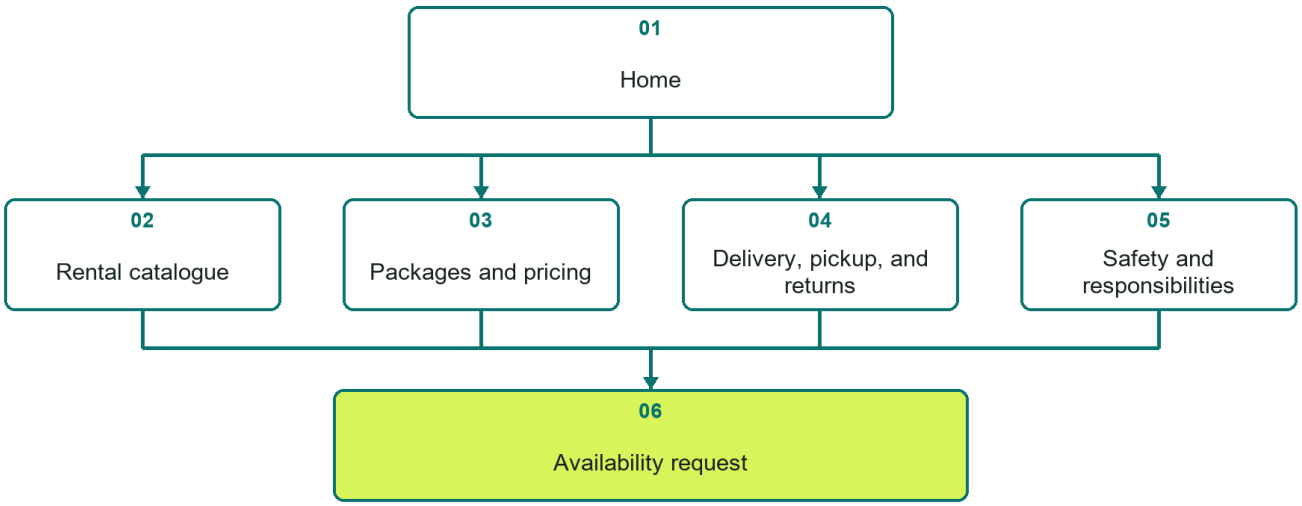

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Equipment & Party Rentals Website workbook

Plan a clear website for equipment & party rentals. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Gather Rentals

EQUIPMENT & PARTY RENTALS

Your website brief

A SaaSTech Servers workshop for equipment & party rentals. Plan your website, learn from the Prairie Gather Rentals example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

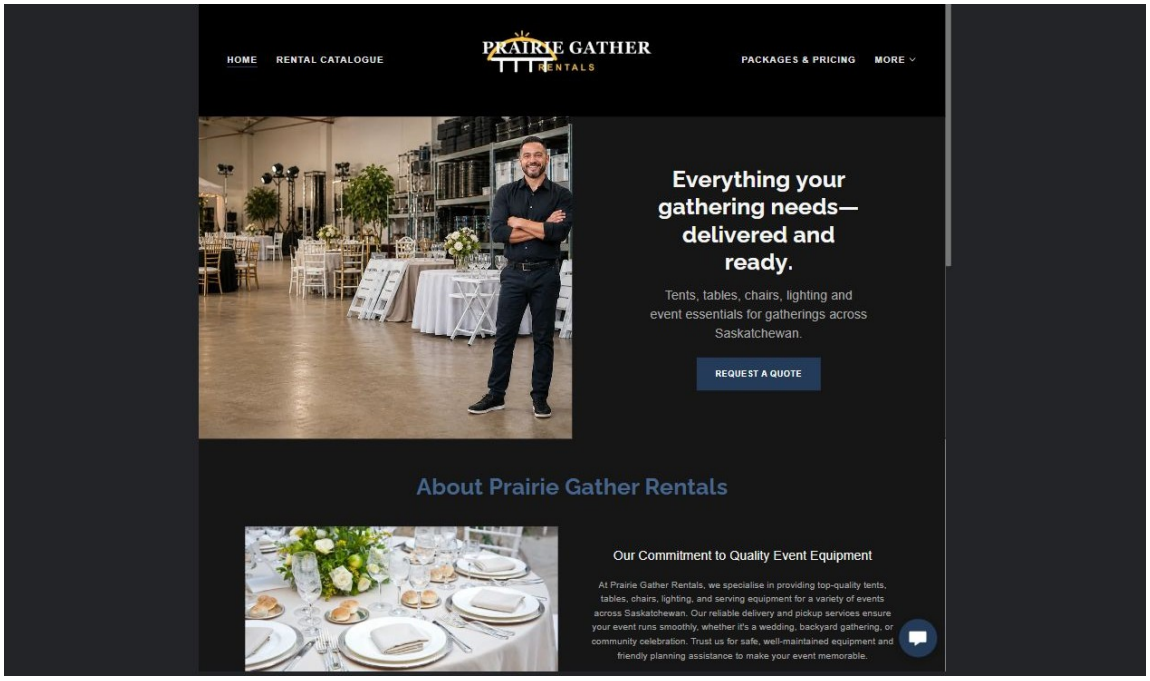

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Home

The job of this page

Introduce the rental business, service area and event types. Lead visitors to the catalogue and explain that availability must be confirmed.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Plan the pieces for your gathering

Explore the rental range and ask about your event date. Quantities, delivery and pricing are confirmed in a written proposal. A catalogue image does not guarantee availability.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

WRITE YOUR PAGE

Home

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Rental catalogue

The job of this page

Organize current inventory by customer task with specifications, dimensions, capacity, included parts, condition, compatibility, and accurate photographs.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Build a useful rental list

Note the item, quantity and intended use for each selection. Ask about dimensions and current availability. The rental team will confirm which pieces suit the event and requested date.

Pause and plan

What is included and what needs separate confirmation? Make quantities, timing, exclusions and price conditions understandable. Avoid implying that an example price or image guarantees availability.

Packages and pricing

The job of this page

Explain rental periods, package contents, quantity tiers, deposits, taxes, consumables, optional accessories, setup, delivery, and late fees.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Confirm the complete rental cost

Review quantities, rental duration and any delivery, setup or collection charges. Ask about deposits and changes before accepting. A sample package is not a confirmed quote.

Delivery pickup and returns

The job of this page

Publish service areas, scheduling windows, site access needs, identification, inspections, cleaning, fuel or charging, and return expectations.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Plan delivery and returns

Agree the address, access, arrival window and collection arrangements. Confirm who handles setup and how items should be returned. Share access instructions privately after the booking is agreed.

Pause and plan

What should someone know before arriving or proceeding? Clarify preparation, access and the right contact route. Verify policies and avoid promising urgent help or specialist advice the website cannot provide.

Safety and responsibilities

The job of this page

State training, operator requirements, prohibited uses, weather limits, damage, loss, insurance, waivers, and emergency contact procedures.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Understand your responsibilities

Read the item's handling guidance and agreed return conditions. Ask about damage, loss and unsuitable uses before accepting the rental. Do not assume every item is appropriate for every venue.

Availability request

The job of this page

Collect dates, item quantities, project or event type, location, delivery, setup, compatibility, responsible renter, and contact details.

Prairie Gather Rentals example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Check availability for your event

Send the date, location, item list and quantities. Include delivery or pickup preferences. Wait for written confirmation before treating the items as reserved.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.
