Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

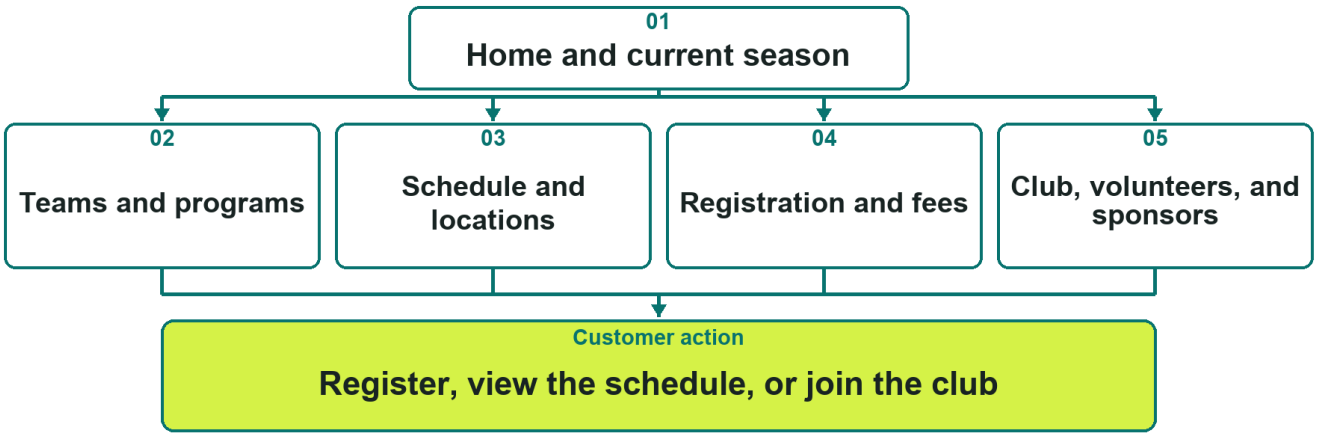

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Sports Clubs & Teams Website workbook

Plan a clear website for sports clubs & teams. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your pages guide visitors toward a clear next step.

Inside this workbook

Five page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Summit Athletics

SPORTS CLUBS & TEAMS

Your website brief

A SaaSTech Servers workshop for sports clubs & teams. Plan your website, learn from the Prairie Summit Athletics example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

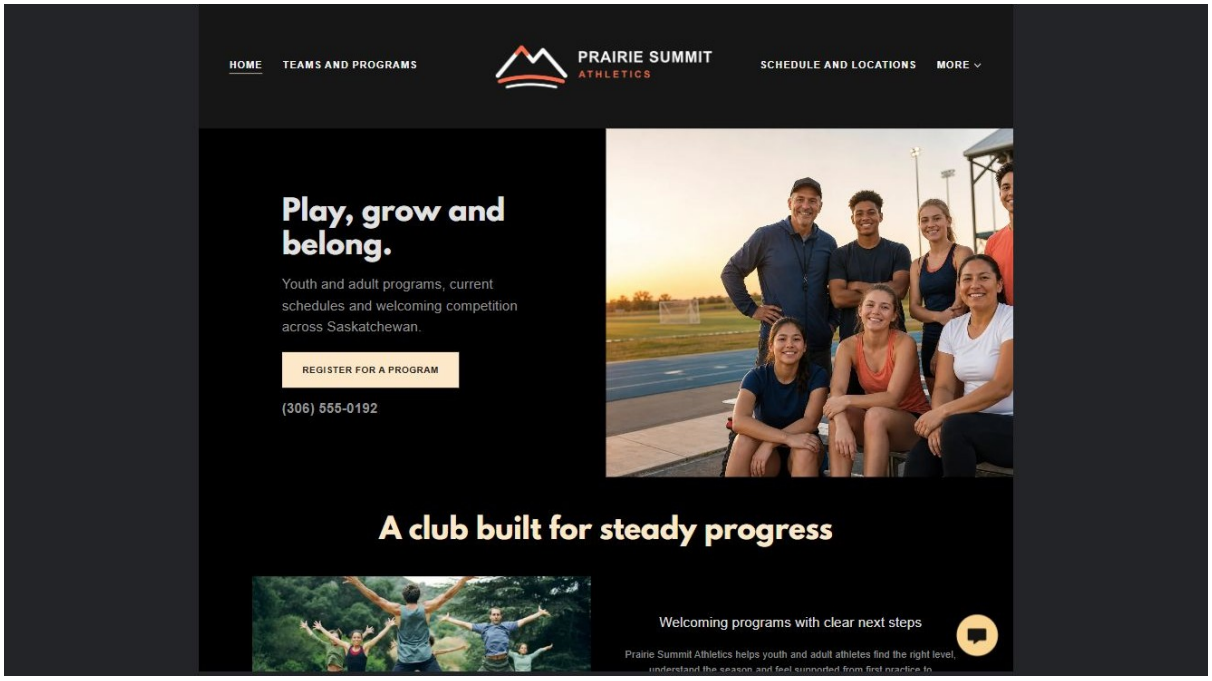

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Home and current season

The job of this page

Lead with registration status, the next important date, schedule access, locations, and current announcements.

Sample wording to adapt

Find your place this season

Explore the teams, programs and current season information. Check eligibility, schedules and registration steps before joining. Contact the club with practical participation questions.

Pause and plan

Which dates and locations need to stay current? Decide who will update changes and where visitors should check before travelling. Separate archived information and illustrative schedules from current availability.

WRITE YOUR PAGE

Home and current season

Write for your visitor. Be specific about what they need to know and what happens next. You can revise the wording after the workshop.

Teams and programs

The job of this page

Describe age groups, levels, seasons, eligibility, coaches, capacity, and the commitment expected.

Sample wording to adapt

Choose a team or program

Read the age group, experience level and commitment for each option. Ask about current capacity and the registration process. A program listing does not guarantee a place.

Pause and plan

Which names, roles and qualifications can you verify? What would help a visitor feel comfortable contacting you? Obtain permission for portraits and describe actual experience without unsupported claims.

Sample wording to adapt

Know what registration includes

Review fees, equipment needs, deadlines and applicable policies before registering. Ask how a place is confirmed. Use the club's approved private process for sensitive participant information.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.

The most useful feedback from your workshop partner
