Getting started with SaaSTech Servers

Create your free account before contacting support. Keep the detachable record private.

1 Create or sign in to your account

Use an email you can access and follow the secure account prompts. No purchase is required.

2 Keep your customer number and call-in PIN ready

Support may ask for both during a call you initiated through verified Contact Us.

3 Enable two-step verification

Have your registered phone or authenticator device with you when calling SaaSTech Servers; you may need it to sign in or verify the account yourself.

Create My Account | saastech.net/create-account

Contact Us	Account Learning Centre	Delegate access playlist

On Contact Us, check your language/region and currency settings, then use the local contact number shown there.

The Account Learning Centre covers setup and delegation for Website Builder and other services. Choose Work with delegates.

Cut or tear out the card below before sharing this workbook

Update your call-in PIN at pin.saastech.net or in My Account after signing in.

Never share your account password or call-in PIN with someone helping manage your services. Each helper should create their own SaaSTech Servers account and receive only the delegated permissions they need. Review purchase/payment and account-security permissions carefully.

For official support, give the call-in PIN only during a call you initiated through verified Contact Us. Never share passwords, sign-in verification codes or recovery codes.

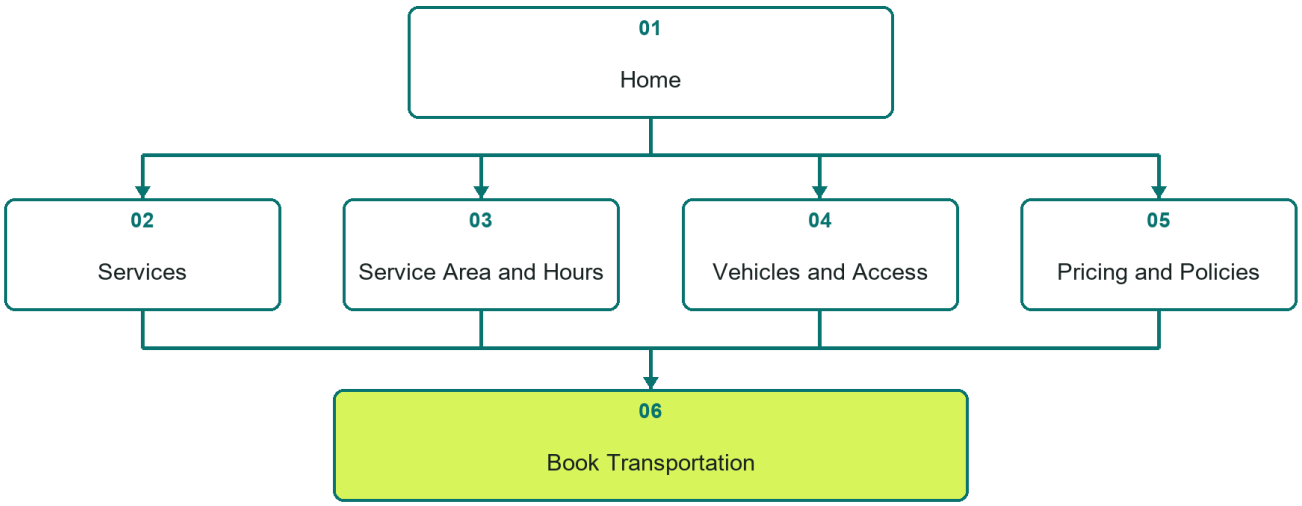

Do not record passwords, verification/recovery codes, security answers or payment details here. Keep this card safe and cut or tear it out before sharing the workbook.

Use a secure password manager for passwords and recovery information.

WEBSITE PLANNING WORKSHOP

Transportation Services Website workbook

Plan a clear website for transportation services. Explore a worked example, shape your own message and prepare to build with SaaSTech Servers.

Your recommended pages at a glance

Inside this workbook

Six page examples • Practical writing exercises • A launch review

Use it in a workshop or at your own pace. Write by hand or complete the response fields in Word. The final page links to Website Builder, plans and account signup.

Example business Prairie Link Transportation

TRANSPORTATION SERVICES

Your website brief

A SaaSTech Servers workshop for transportation services. Plan your website, learn from the Prairie Link Transportation example and draft content for your own business.

Each page has a reference sheet followed by a writing sheet. Demo excerpts are labelled separately from new sample wording, which may differ from the screenshot. Click a blank response line to type; longer answers may add pages. Replace fictional details and verify every claim before publishing.

Your business or organization and workshop date

Who should visit your site and what do they need

The main action you want a visitor to take

What you offer and where or how you provide it

Facts photos and permissions to gather before publishing

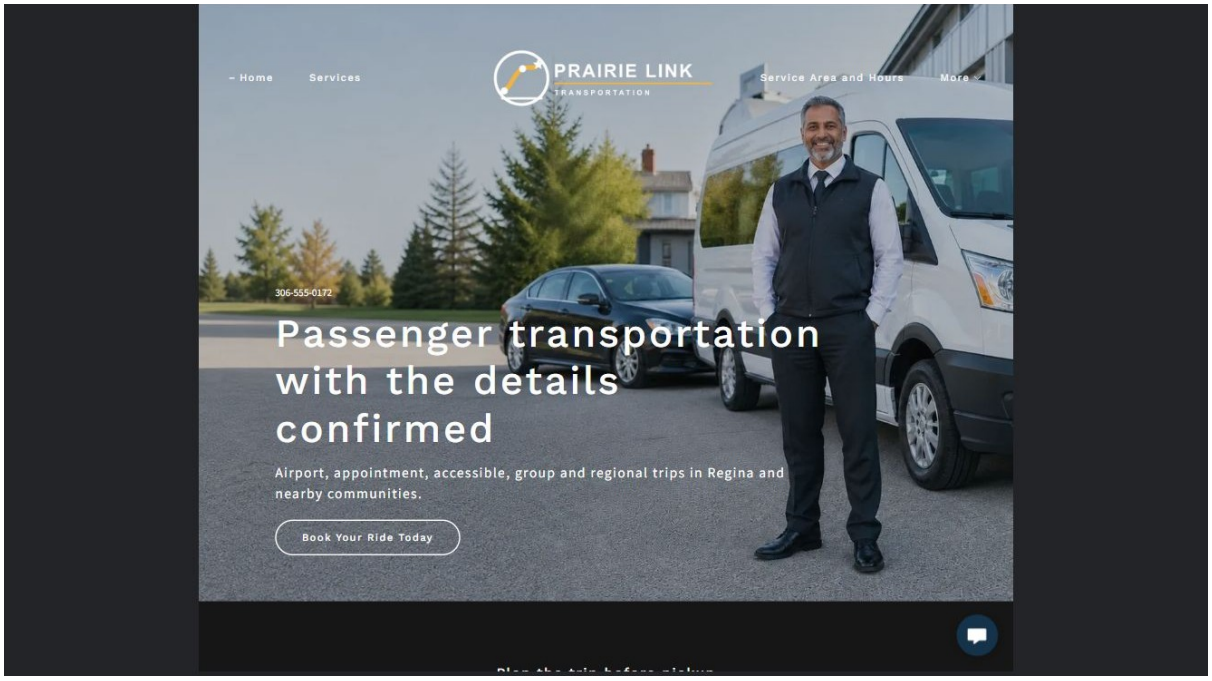

Workshop rhythm: review the example, write your draft and exchange feedback. Use the final review to choose your next changes. Website Builder and account links are on the last page.

LOOK AND LEARN

Home

The job of this page

State the transportation promise, service region, main trip types, phone contact, and clearest booking action in the first screen.

Prairie Link Transportation example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Plan your ride with clear details

Explore the service area and transport options, then ask about your journey. Availability, vehicle suitability and pricing are confirmed before a trip is accepted.

Pause and plan

Could a first-time visitor explain what you do and who it is for after one glance? Choose one main action and the strongest truthful detail that gives them confidence to continue.

Services

The job of this page

Explain airport, appointment, accessible, group, regional, courier, or delivery services actually offered and the limits of each.

Prairie Link Transportation example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Choose the transport you need

Describe the journey, passenger count and timing. Ask which service can accommodate the trip. A listed service is not a guarantee of availability for every location or date.

Pause and plan

Who is each option for, what does it include and where are its limits? Describe the information needed to check fit. Make the next step clear without promising an outcome before assessment.

Service Area and Hours

The job of this page

Publish pickup regions, destinations, operating hours, advance-booking needs, weather changes, and current contact methods.

Prairie Link Transportation example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Check the route and operating hours

Share your pickup area, destination and preferred time. Confirm coverage and any after-hours arrangements directly. Do not rely on an unconfirmed enquiry for a time-critical journey.

Sample wording to adapt

Confirm the vehicle fits the journey

Discuss passenger numbers, luggage and practical access needs. The operator will confirm a suitable vehicle and arrangements. Photographs alone do not establish accessibility or capacity.

Pause and plan

What question brings a visitor to this page? List the details they need, the evidence you can provide and the next useful action. Remove content that does not help them decide or proceed.

Book Transportation

The job of this page

Collect date, time, pickup, destination, passengers, luggage or shipment details, accessibility needs, stops, flexibility, and contact without requesting unnecessary sensitive information.

Prairie Link Transportation example | Explore SaaSTech Servers Website Builder

Sample wording to adapt

Request your journey

Include the date, pickup area, destination, passenger count and preferred time. The operator will confirm availability and fare. A request is not a confirmed ride; do not submit sensitive information through this demo.

Pause and plan

What must someone provide, and what happens after they send it? Separate a request from a confirmed booking, order or place. Decide what information should stay out of a public form.

WORKSHOP CLOSE

Review and next steps

Ask a partner to read your draft as a first-time visitor. Can they explain what you offer, who it is for and the next step without extra help?

Before you publish

[ ] Every page has a clear purpose and a useful next step.

[ ] Headlines are specific and the wording sounds like your business.

[ ] Names, service areas, prices, dates and policies have been checked.

[ ] Credentials, testimonials and results are genuine and permission-cleared.

[ ] Photos support the text, do not repeat needlessly and have appropriate permissions.

[ ] Forms ask only for necessary information and explain what happens next.

[ ] Links, downloads and the main visitor task work on a phone.

The most useful feedback from your workshop partner
